

## Medigap Plans with effective dates through May 31, 2010

### How to read the chart:

If a checkmark appears in a column of this chart, the Medigap policy covers 100% of the described benefit. If a column lists a percentage, the policy covers that percentage of the described benefit. If a column is blank, the policy doesn't cover that benefit.

**Note:** The Medigap policy covers coinsurance only after you have paid the deductible (unless the Medigap policy also covers the deductible).
