**WellCare Choice (HMO-POS) | Plan 001**

# Section I - Introduction to Summary of Benefits

---

Thank you for your interest in WellCare Choice (HMO-POS). Our plan is offered by WellCare of Connecticut, Inc./WellCare, a Medicare Advantage Health Maintenance Organization (HMO), with a point-of-service option (POS). This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call WellCare Choice (HMO-POS) and ask for the "Evidence of Coverage".

## **You have choices in your health care.**

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like WellCare Choice (HMO-POS). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program.

You may join or leave a plan only at certain times. Please call WellCare Choice (HMO-POS) at the number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

## **How can I compare my options?**

You can compare WellCare Choice (HMO-POS) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

## **Where is WellCare Choice (HMO-POS) available?**

The service area for this plan includes: Fairfield, Hartford, New Haven, and Tolland counties, CT. You must live in one of these areas to join the plan.

## **Who is eligible to join WellCare Choice (HMO-POS)?**

You can join WellCare Choice (HMO-POS) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End-Stage Renal Disease are generally not eligible to enroll in WellCare Choice (HMO-POS) unless they are members of our organization and have been since their dialysis began.

## **Can I choose my doctors?**

WellCare Choice (HMO-POS) has formed a network of doctors, specialists, and hospitals. You can use any doctor who is part of our network. In some cases, you may also go to doctors outside of our network. The health providers in our network can change at any time.

You can ask for a current provider directory by contacting our customer service number listed at the end of this introduction.

# Section I - Introduction to Summary of Benefits

---

## **What happens if I go to a doctor who's not in your network?**

Generally, you are restricted to a doctor who is part of your network. However, we will cover your care from any provider for emergency or urgently needed care. Also, our point of service benefit allows you to get care from providers not in your network under certain conditions. For more information, please call the customer service number listed at the end of this introduction.

## **Where can I get my prescriptions if I join this plan?**

WellCare Choice (HMO-POS) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at [www.wellcare.com](http://www.wellcare.com). Our customer service number is listed at the end of this introduction.

WellCare Choice (HMO-POS) has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower co-pay or coinsurance. You may go to a non-preferred pharmacy, but you may have to pay more for your prescription drugs.

## **Does my plan cover Medicare Part B or Part D drugs?**

WellCare Choice (HMO-POS) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

## **What is a prescription drug formulary?**

WellCare Choice (HMO-POS) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our website at [www.wellcare.com](http://www.wellcare.com).

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

## **How can I get extra help with my prescription drug plan costs or get extra help with other Medicare costs?**

You may be able to get extra help to pay for your prescription drug premiums and costs as well as get help with other Medicare costs. To see if you qualify for getting extra help, call:

## What are my protections in this plan?

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of WellCare Choice (HMO-POS), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of WellCare Choice (HMO-POS), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does

not involve coverage for a prescription drug. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

## **What is a Medication Therapy Management (MTM) program?**

A Medication Therapy Management (MTM) Program is a free service we offer. You may be invited to participate in a program designed for your specific health and pharmacy needs. You may decide not to participate but it is recommended that you take full advantage of this covered service if you are selected. Contact WellCare Choice (HMO-POS) for more details.

## **What types of drugs may be covered under Medicare Part B?**

Some outpatient prescription drugs may be covered under Medicare Part B. These may include, but are not limited to, the following types of drugs. Contact WellCare Choice (HMO-POS) for more details.

- Some Antigenes: If they are prepared by a doctor and administered by a properly instructed person (who could be the patient) under doctor supervision.
- Osteoporosis Drugs: Injectable drugs for osteoporosis for certain women with Medicare.
- Erythropoietin (Epoetin Alfa or Epogen®): By injection if you have end-stage renal disease (permanent kidney failure requiring either dialysis or transplantation) and need this drug to treat anemia.
- Hemophilia Clotting Factors: Self-administered clotting factors if you have hemophilia.
- Injectable Drugs: Most injectable drugs administered incident to a physician's service.
- Immunosuppressive Drugs: Immunosuppressive drug therapy for transplant patients if the transplant was paid for by Medicare, or paid by a private insurance that paid as a primary payer to your Medicare Part A coverage, in a Medicare-certified facility.
- Some Oral Cancer Drugs: If the same drug is available in injectable form.
- Oral Anti-Nausea Drugs: If you are part of an anti-cancer chemotherapeutic regimen.
- Inhalation and Infusion Drugs administered through DME.

## **Where can I find information on plan ratings?**

The Medicare program rates how well plans perform in different categories (for example, detecting and preventing illness, ratings from patients and customer service). If you have access to the Web, you may use the Web tools on [www.medicare.gov](http://www.medicare.gov) and select "Health and Drug Plans" then "Compare Drug and Health Plans" to compare the plan ratings for Medicare plans in your area. You can also call us directly to obtain a copy of the plan ratings for this plan. Our customer service number is listed below.

### Preventive Services

#### 24 Kidney Disease and Conditions

20% coinsurance for renal dialysis  
20% coinsurance for kidney disease education services

#### In-Network

20% of the cost for renal dialysis  
20% of the cost for kidney disease education services

#### 25 Outpatient Prescription Drugs

Most drugs are not covered under Original Medicare. You can add prescription drug coverage to Original Medicare by joining a Medicare Prescription Drug Plan, or you can get all your Medicare coverage, including prescription drug coverage, by joining a Medicare Advantage Plan or a Medicare Cost Plan that offers prescription drug coverage.

#### Drugs covered under Medicare Part B

##### General

20% of the cost for Part B-covered chemotherapy drugs and other Part B-covered drugs.

#### Drugs covered under Medicare Part D

##### General

This plan uses a formulary. The plan will send you the formulary. You can also see the formulary at [www.wellcare.com](http://www.wellcare.com) on the Web.

Different out-of-pocket costs may apply for people who

- have limited incomes,
- live in long term care facilities, or
- have access to Indian/Tribal/Urban (Indian Health Service) providers.

The plan offers national in-network prescription coverage (i.e., this would include 50 states and the District of Columbia). This means that you will pay the same cost-sharing amount for your prescription drugs if you get them at an in-network pharmacy outside of the plan's service area (for instance when you travel).

**BENEFIT**

**ORIGINAL MEDICARE**

**WELLCARE CHOICE (HMO-POS)**

**Preventive Services**

**25 Outpatient Prescription Drugs**

Total yearly drug costs are the total drug costs paid by both you and a Part D plan.

The plan may require you to first try one drug to treat your condition before it will cover another drug for that condition.

Some drugs have quantity limits.

Your provider must get prior authorization from WellCare Choice (HMO-POS) for certain drugs.

You must go to certain pharmacies for a very limited number of drugs, due to special handling, provider coordination, or patient education requirements that cannot be met by most pharmacies in your network. These drugs are listed on the plan's website, formulary, printed materials, as well as on the Medicare Prescription Drug Plan Finder on Medicare.gov.

If the actual cost of a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.

If you request a formulary exception for a drug and WellCare Choice (HMO-POS) approves the exception, you will pay Tier 3: Non-Preferred Brand Drugs cost sharing for that drug.

**In-Network**

\$0 deductible.

**Initial Coverage**

You pay the following until total yearly drug costs reach \$2,930:

**Coverage Gap**

After your total yearly drug costs reach \$2,930, you receive a discount on brand name drugs and pay 86% of the plan's costs for all generic drugs until your yearly out-of-pocket drug costs reach \$4,700.

**Catastrophic Coverage**

After your yearly out-of-pocket drug costs reach \$4,700, you pay the greater of:

- 5% coinsurance, or
- \$2.60 co-pay for generic (including brand drugs treated as generic) and a \$6.50 co-pay for all other drugs.

**Out-of-Network**

Plan drugs may be covered in special circumstances, for instance, illness while traveling outside of the plan's service area where there is no network pharmacy. You may have to pay more than your normal cost-sharing amount if you get your drugs at an out-of-network pharmacy. In addition, you will likely have to pay the pharmacy's full charge for the drug and submit documentation to receive reimbursement from WellCare Choice (HMO-POS).
